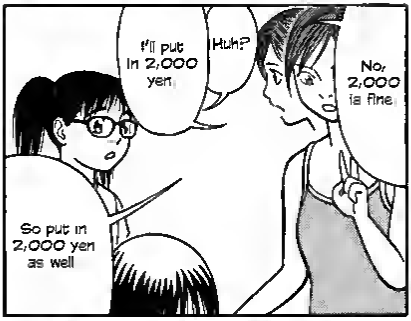
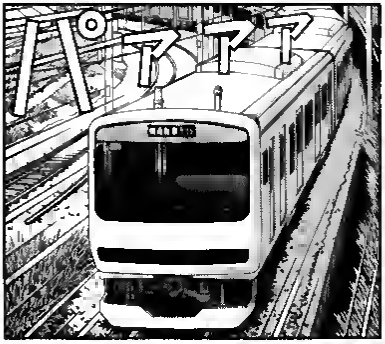
But whenever they would spar Kamo-san was the stronger of the two.
From third grade to sixth grade in grade school, they were also in the same karate dojo.
Kamo-san said her first love's name is Daisuke Otomo...
Wow-- To dye your hair you mix these two liquids--
First time
So I'll add a little bit of brown
If you re-dye it jet black all the sudden, it's going to get too dark.
Chapter 60
The secret of the second year trio (Part 3)
Hobo-1

But, a while back, he wrote a letter to Kamo-san saying, "I'm coming to visit for Summer vacation, do you want to hang out?"
Due to his father's job, Otomo-kun had to move to Tokyo when he finished grade school.
So that's why she was trying her best to be more feminine.
I don't have a watch
Huh?
Hino-san, what's the exact time right now?
Let's see, after this we leave it in for twenty minutes
This is about dating isn't it!
The bathroom in Kamo-chan's house
My watch should be in the dressing room
2
Come on now.
Huh? N-No I don't
You know with your height, I can't lend you any of my clothes right?
By the way, do you have a lucky, stylish outfit for your date?

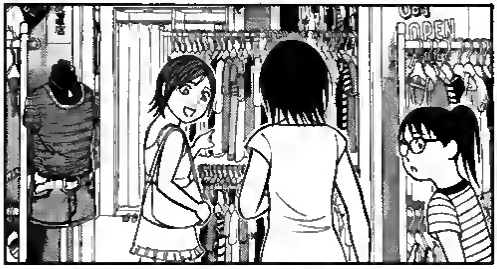


I'll put in 2,000 yen
Huh?
No, 2,000 is fine
So put in 2,000 yen as well

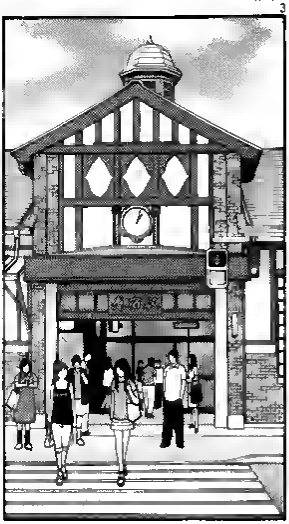
I-I have about 5,000 yen...
There's no helping it, let's do a fund raiser

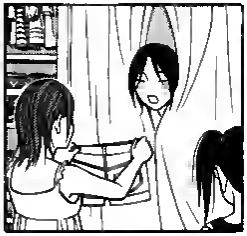


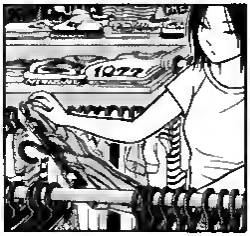
Also I haven't been to Shibuya and Harajuku in a while!
It's for a Summer outfit so 6,000 yen is more than enough



OPEN







The day of the date.
And,
海水
Amazing, you would not think that outfit was just 6,000 yen.
It's almost time for him to show up.
Well, best of luck!
Tch!
Hold it!

Why? That's so embarrassing!
Eeh?
You know secretly so he doesn't find out.
I-I was wondering if you could hide and keep watch!
Why is it that when you get into fights you can stand tall, but you turn into such a scaredy cat for a date!
If I know that you two are watching me from afar I can feel a little more courageous
I gonna feel uneasy with just the two of us alone--

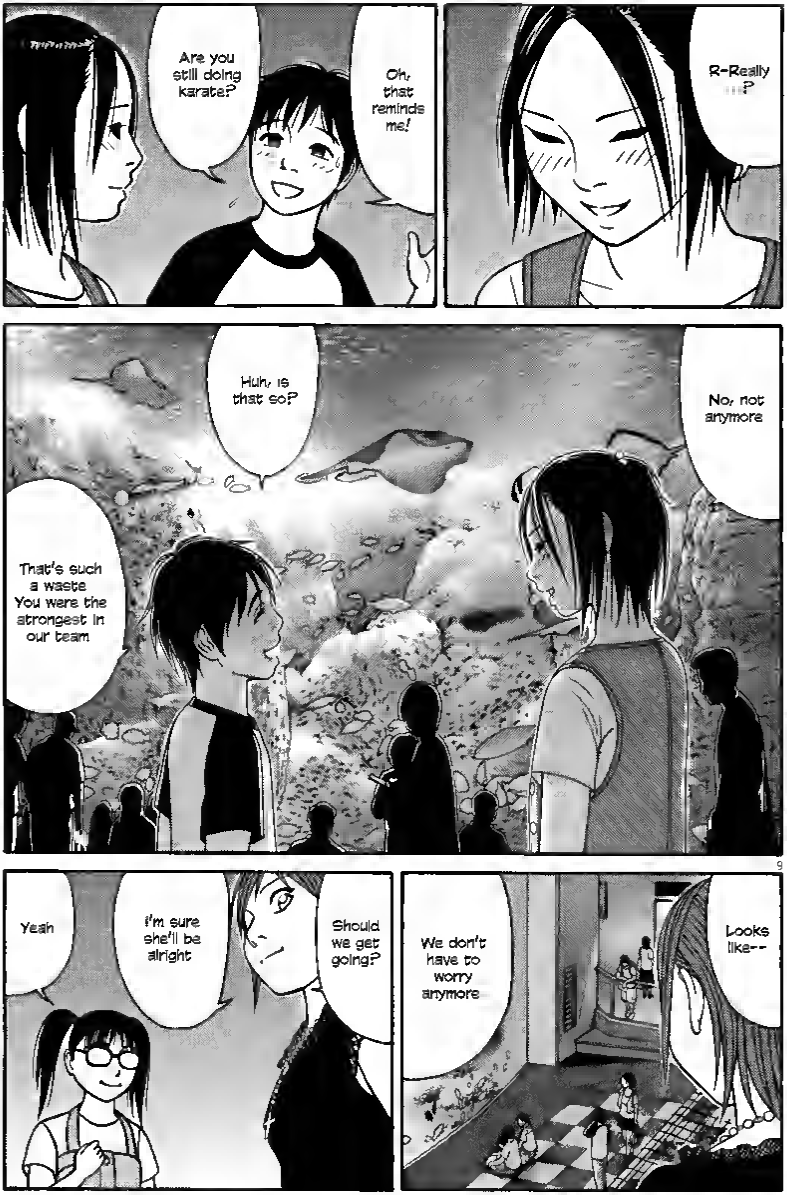
5

We'll go home when we see fit okay!
A-Alright fine! We'll keep watch halfway
Miwa-san, he's almost here!

Say, Miwa-san, it's been 3 years, but how do you think Otomo-kun turned out?
Huh? Turned out? Even if you ask me....
Boys enter their growth period when they go into middle school, so he's probably very tall and cool by now.
Why are you the one getting all excited?
Well, in that picture from 3 years ago he was still a little kid.
So obviously I don't expect him to still be like that.
Have you been waiting long?
Dai-chan!
Kyoko-chan!
!
It's you right?

But compared to Kamo-san
He grew up Compared to that pictura
Um...
Sorry for being late
Have you been doing well?
It's been a while.
Hehe
Y-Yeah how about you Dai-chan?
Uh...
Sure
Well, let's get going?
Same here
I'm doing fine My grades in school are hopeless like usual though

How is your school in Tokyo?
Nothing special, it's not that much different from the schools here.
You haven't changed at all.
But I guess the girls are much cuter over there than they are over here?
Ah, but you're looking mighty fine today Kyoko-chan.
A lot more cuter - than the girls in Tokyo
Huh?



Are you still doing karate?
Oh, that reminds me!
R-Really...?
Huh, is that so?
No, not anymore
That's such a waste. You were the strongest in our team
Yeah
I'm sure she'll be alright
Should we get going?
We don't have to worry anymore
Looks like--

Yo Kyoko Kamo.
You sure did a number on me before---
Is that
Oh?
You're starting to piss me off
Hm?
Seriously, you're always provoking fights with guys.
!

GRR...!
ARE YOU SERIOUS?
YO, SHE HAS A MAN.
Gnash

That was your specialty back in the day!
A spin kick!

Well I kept doing it after moving to Tokyo and joined a new dojo
Hahah I see
To tell you the truth I did quit doing karate, but you could say that I have been training in actual fighting conditions

AAAAAH!

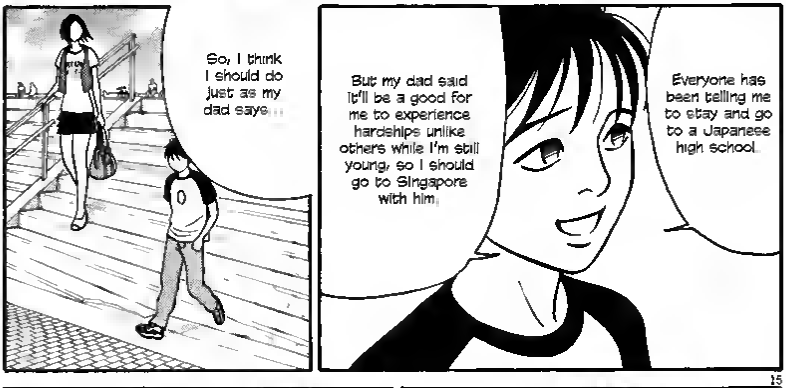
ザザア

Kyoko-chan, this time my dad is getting transferred to Singapore.
What?



Everyone has been telling me to stay and go to a Japanese high school.
But my dad said it'll be a good for me to experience hardships unlike others while I'm still young, so I should go to Singapore with him.
So, I think I should do just as my dad says...

15

That's right...
You're personality has always been like that, Dai-chan.
I'll write to you when I get there.
Are you?
Ah, I recently started doing calligraphy. It'll be good practice so I'll reply to your letters.

First of all, recently I sent him a letter 6 months ago and I still have not received a reply from him!
--Well after that, we exchanged letters once a month, then once every three months--

Right...
Next time he comes back I'm gonna totally knock him out!
I bet he totally got himself a girlfriend over there!

I'M SORRY KAMO-SAN, BUT COULD YOU STOP HARASSING ME?
It's really Yoshimi

Incidentally, this is the episode of when Kamo-chan met Yoshimi for the first time.

Kamo thought Hiromi hated her so after that, she was so shocked she couldn't get out of bed. Yoshimi didn't tell her the truth until a few days later.
Ugh
